WELCOME MESSAGE

Dear Esteemed Colleagues,

It is with immense pride and heartfelt enthusiasm that we welcome you to CUTICON AP 2025, the 44th Annual Conference of IADVL Andhra Pradesh, scheduled to take place on 6th and 7th December 2025 at the esteemed SVMCAA Dr. Prem Sagar Building, Bhuvana Vijayam Auditorium, SVMC, Tirupati. CUTICON AP has consistently served as a beacon of academic excellence, professional development, and collegial spirit in the fields of dermatology, venereology, and leprology. This year, we gather once again to celebrate knowledge, foster collaboration, and collectively advance the science and art of skin health. Set against the spiritually uplifting and culturally rich backdrop of Tirupati, a city renowned for its heritage and devotion, this year's conference promises a memorable convergence of scientific innovation and traditional values. The venue—nestled within the esteemed Sri Venkateswara Medical College campus—provides the perfect academic ambiance for this grand event. The scientific program, carefully curated by our expert committee, covers the full spectrum of dermatology. Attendees can look forward to state-of-the-art lectures, clinical updates, live demonstrations, hands-on workshops, poster presentations, and interactive sessions led by a stellar lineup of national and regional faculty. Topics will span clinical dermatology, aesthetic procedures, dermatosurgery, trichology, pediatric dermatology, STI management, and more, ensuring there is something of value for every participant—from the seasoned consultant to the enthusiastic postgraduate. More than just a scientific gathering, CUTICON AP 2025 is a celebration of our vibrant dermatology community. It's a platform for sharing insights, mentoring future leaders, renewing professional bonds, and collectively envisioning the future of skin care in India. Whether you are an academician, clinician, researcher, or trainee, this conference is crafted to expand your horizons and deepen your engagement with the dermatological sciences. Your participation will not only enrich the academic discourse but also strengthen our shared commitment to excellence in patient care. On behalf of the Organizing and Scientific Committees, we extend a warm and cordial invitation to join us at CUTICON AP 2025. Come be part of this exciting journey in Tirupati—where science meets tradition, and knowledge meets community. We eagerly look forward to welcoming you for an inspiring, enlightening, and unforgettable experience.

Warm regards,

Organizing Committee
